

# Welcome to Caba

[www.cabaritabeach.org](http://www.cabaritabeach.org)

The village is very proud of its character and we hope you will soon feel connected to our community which is fondly nick-named Caba. Bogangar is its indigenous name and it is difficult to get a definitive meaning. There are many groups to which you could belong or seek advice. We believe in sustainability and development that enhances and protects the natural beach and bush environment. We shop locally to support our farmers, retailers and tradies. We encourage the use of cloth or paper bags rather than plastic through the Boomerang Bags project. Caba has won many awards for its environmentally sensitive care for the coastline. An open hub for information sharing can be found on Facebook / Boganguardians. You are welcome to join any of the groups and associations that support the village. These are listed below.

## Cabarita Beach / Bogangar Residents Association

This is the voice of the village and represents it on issues that concern residents and initiates projects to enhance life for residents whilst maintaining the natural, small scale character of Caba. The signage around the beach area and Boomerang Bags are two successful projects. CBBRA has links to every group in Caba. Meetings are 2<sup>nd</sup> Monday of Feb, Apr, Jul, Sep & Nov at 7.00pm in the Bowls and Sports Club. Contact: Secretary Suzi Bourke 041 734 9274
